SUBJECT: WIC Futures Study Group Request

The WIC Futures Study Group will be having their second meeting on Wednesday, March 19. In order to provide the group with as much information on WIC services as possible, we are requesting your input in two areas.

- 1) What are your five biggest "time takers" in WIC?
 - a. Regional responsibilities
 - b. Staffing and all related issues
 - c. Vendor responsibilities
 - d. Documentation of all aspects
 - e. Special formula requests.

- 2) What does Montana WIC require of local agencies which are not required by WIC Federal Regulations?

These require further study.

Due to the approaching date of the next meeting, we are requesting your response quickly. Please e-mail your response to these two questions to Lynn Van Aken (Ivanaken@mt.gov) by Friday, March 14.

Thank you for your thoughtful input. We are working hard to make WIC a successful quality nutrition program for the future. If you have any questions please call me at 406-444-4747.
